A Prayer for Redemption from the 515 Tifilot L'RaMHaL

Translated by Rabbi Ariel Bar Tzadok

PRAYER # 360 FOR RECTIFICATION AND UNITY

***[O] G-d, [You Who are] One, Single and Unique,
Answer us for the sake of Your Name Adonai (YHVH).***

Forgive my sins for they are great (Ps. 25:11).

For Your Name is greater than all other names. . . .

[Let Your Name] radiate to every side

Because [our eyes] are darkened by the heaviness of this exile,

Of which it is said, the needs of Your nation are many,

Yet their knowledge is limited (Ber. 29b).

This knowledge is the knowledge of Ruah haKodesh (Divine Inspiration)

(Mikhilta, Beshelah 15)

That has departed from Israel

And only radiates upon us in small doses from a distance.

Regarding this is it written, and the spirit of G-d

Hovered over the face of the waters (Gen. 1:2).

Therefore, we are unable to offer before You

The appropriate necessary prayers.

Rather, we call [upon You] in Your Name.

May [Your Name] radiate to all sides

To rectify all the rectifications, at all levels above and below

[By the Power of] Your Unity that rules over all

And rectifies all in a singular way.

Ribbon Kol HaOlamim (Master of the Universe)

We hope for Your Unity in truth.

Reveal to us the truth of Your Unity.

Save us for the sake of your Name.

[Please] do not delay (Ps. 70:6).

For Your salvation, I await Adonai.
